Aboriginal Culture

- › Darwin is the most culturally diverse city in Australia.
- › More than a quarter of Northern Territory's population is Aboriginee, a far higher proportion than anywhere else in Australia, and half of the Territory is once again Aboriginal-owned land, returned following protracted land claims.
- › Indigenous festivals are held May through October across the NT. Communities open their doors to share their stories and welcome travellers. Activities include art sales and auctions, traditional music and dance, bush tucker displays with tastings and sporting events.
- › Additionally, try the art galleries in Parap, or visit the museums and Art Gallery of the NT to see this country through indigenous eyes.

Our Location

International House Darwin is located in the heart of the city centre. The campus is a 1 minute walk from the nearest bus stop where you can catch a bus to the Mindil Beach or to other Darwin suburbs. With student residential accommodation nearby, coffee shops outside the campus, and plenty of jobs available for students, Darwin is an opportunity to learn more about Australian culture, explore regional Australia and meet the friendly and welcoming people that reside in the Northern Territory.

International House Darwin is part of the International House World Organisation, the oldest teacher training and language learning organisation in the world. Being a Teacher Training Centre in Sydney, we select the most qualified and motivated teachers for our English courses at IH Darwin, IH Sydney City and IH Bondi.
