Why IH Melbourne?

- International House Melbourne is located in the heart of the Melbourne Central Business District, on level 6 of a beautifully renovated building. Public transport stops directly in front of the building. Cafes, restaurants and shops surround the building and area.
- IH Melbourne, IH Sydney City, IH Bondi and IH Darwin all offer the same English courses for the same prices, with the same start dates and schedules, allowing students to move freely among all four campuses, without paying additional fees.
- Flexible Semi Intensive courses allow students to move from morning to evening timetables and back, at no additional cost.
- Great Nationality Mix to ensure all students have a great experience, allowing them to learn about different cultures from all over the world.
- The International House brand is highly recognised throughout Europe and South America, and has an extensive network of schools throughout Asia and the Middle East.

We offer **Flexible Learning**, allowing Semi Intensive students to move between morning and evening, among all four campuses, between all of our classes and back again. **My Timetable** allows students to study their individual language skills at their specific level.
